

Sales Policy:

Deposit of \$50 holds a baby mini pig. We will accept payment through PayPal or Money Gram. Choice is on a first come first serve basis. This means if you are the first person from which I receive a deposit then you get first choice from the litter being advertised from the animals that I chose to sell and so on. Balance of payment is due in cash at the time of delivery. No refunds will be given at any time-no exceptions. Please contact us via email if you are considering the purchase of a mini pig prior to making a deposit. Sales transactions (delivery of the pig) will occur at our place of residence or some mutually convenient location. We also offer shipping in the Continental United States only at your expense. We require prepayment of shipping along with amount due prior to ship date and we are not responsible for losses that occur during shipping.
